

OUR STORY

ClearSky is in the business of providing superior energy solutions to customers seeking sensible answers to their energy challenges and fuel costs.

ENERGY TO BE PROUD OF

**Improves
Fuel Economy**

**Cleans
Engines**

**Reduces
Emissions**

WHAT TO EXPECT

- Increase in power and torque; noticeable at higher RPM
- Elimination of black smoke from exhaust and unburnt fuel smell
- Improvement in fuel economy; **10% average** over global users
- Cleaner engine components including injectors, leading to fewer breakdowns
- Reduced maintenance costs
- Cooler engine and exhaust temps
- Response could be immediate but can vary. Customers will see full benefits by the 20th tank

DOSING

1:2,000**DIESEL**Add **50 ml per 100 Litres** of fuel**1:1,000****GASOLINE**Add **100 ml per 100 Litres** of fuel

- Dose before fueling for best results
- Add directly to the fuel tank of the vehicle or to a storage fuel tank
- With our dosing bottle, remove the cap on the measurable dosing chamber. Squeeze the bottle gently to fill the chamber to the desired amount, then add to tank.

SAFETY

- Safe and easy to use
- If the product comes into contact with skin, wash with soap and water
- PPE recommended: gloves and glasses
- Store in secure, dry, covered space; keep out of reach of children
- Biodegradable
- Effective to -67°C
- Helps reduce fuel gelling
- Prevents fuel separation

STANDARDS

Maintains gasoline and diesel compliance with ASTM, CGSB, EN, and BS standards.
